POEM TO READ

THE BOY WHO NEVER TOLD A LIE

Once there was a little boy,
With curly hair and pleasant eye-
A boy who always told the truth,
And never, never told a lie.

And when he trotted off to school,
The children all about would cry,
"There goes the curly-headed boy-
The boy that never tells a lie."

And everybody loved him so,
Because he always told the truth
That every day, as he grew up,
Twas said, "There goes the
honest youth."

And when the people that stood ne
Would turn to ask the reason why,
The answer would be always this:
"Because he never tells a lie."

Moral: You needn't be afraid of any outcome,
you speak the truth.

Q12) write the face value and
the place value of 6
in 9576

Ans $\overset{0}{9}576$
| \rightarrow 6 Place value
The face value of 6 in 9576 is 6

Q13) write the place value of
9 in 9103

Ans 9103
| \rightarrow
