Q: What were the qualifications necessary to become a member of a committee of the Sabha in the Chola Empire?

Ans: The members of the Sabha were the prominent landlords. However, there were committees to supervise different fields like gardens, temples etc. Names of the eligible persons to be members of the different committees were written on small tickets of palm leaf. The tickets were put in to an earthen pot and a young boy was asked to take out the tickets one by one for each committee. The person selected through this process was declared to be the member of that committee.
