vi. Rewrite the passage changing all nouns in the masculine gender into feminine and vice-versa. Make other necessary changes.

The boy walked towards the market. He entered a pet shop. He asked the owner, 'Sir, do you sell ducks?' The owner showed him a few. The boy also wanted to buy a colt. However, the shop only sold small animals. The boy then decided to visit his aunt who had a large farm. She owned a bullock, two horses and had even got a doe recently. She was a noted authoress and had married a professor. She was also an advisor to a viscount who had settled in Almora many years ago. The gentleman was loved by all. His aunt trusted him implicitly and made him the executor of her will.

Q:-

What were the areas of conflict between the Bengal nawabs and the East India Company?

Ans: (i) The nawabs refused to grant concessions to the Company.

(ii) They demanded large tributes for the company's right to trade.

(iii) They denied Company the right for mint coins and stopped it from extending its fortification.

(iv) The nawabs accused the Company of not paying taxes and writing disrespectful letters.
